PRODUCT BACKGROUND

Created by Young Living Founder D. Gary Young, this blend was crafted to purify the air. Purification combines Citronella, Lavandin, Lemongrass, Rosemary, Myrtle, and Tea Tree to uplift and invigorate the atmosphere.

The plant sources for these oils come from many exotic and beautiful locations: Lemongrass is native to India, Guatemala, and other tropical countries; and Citronella originated in Sri Lanka. Purification utilizes these natural resources to brighten and freshen up any space.
